Facial Treatments

Oxygen Treatment VIP O² 45 min. 150.—

This luxurious oxygenating and balancing ritual features a perfect combination of micro-exfoliation, oxygenation and bio-energy massages, leaving you glowing with health from the first day of treatment.

Restructuring & Smoothing Treatment 60 min. 220.—

A reconditioning treatment for the epidermis with an immediate re-plumping effect designed for all Skin Instants® products. It has a draining action on your skin, leaving your face, neck and chest smooth and toned.

Regenerating Vernix Facial 60 min. 230.—

This Vernix formula, created by Biologique Recherche, is very similar to the vernix mantel covering the new-born infant. It slows down the aging process thanks to a selection of active ingredients rich in lipids, proteins and antioxidant peptides, which accelerate regeneration, optimize skin hydration and soothe wrinkles.

Second Skin Care 75 min. 295.—

A world first in professional beauty products, this regenerating and lifting treatment is created using an electrospun mask with 80% pharmaceutical-grade hyaluronic acid and is designed for mature Skin Instants® damaged by the signs of aging.

Body Treatments

Lifting Body Treatment

60 min. 195.—

An exfoliating, firming and toning treatment that leaves you with a refined skin texture and re-sculpted body.

Re-harmonizing & Draining Treatment 80 min. 250.—

This detox treatment starting with an active draining massage and followed by a seaweed wrap is guaranteed to restore your well-being and balance.

Body Slimming Anti-C Treatment

80 min. 250.—

This unique slimming treatment with its complex Booster Minceur will reduce fat stores and eliminate excess water to refine your body and improve the appearance of cellulite.

Anti-Aging Oxygen Treatments

LE CUBE O²+

Oxygen is being put to the use of beauty and the rapid and natural regeneration of cells! Beauty treatments with LE CUBE O²+ and high quality procedures by "Biologique Recherche" are available in the Guarda Golf Spa, exclusively in Crans Montana.

Oxygen Facial Treatments

O² Eye Control

35 min. 140.—

Targeted to reduce wrinkles surrounding the eye and reduce puffiness. The oxygen propulsion will transport the active ingredients it contains to the heart of your skin cells without the need for needles. The results are spectacular: fine lines, puffiness and dark circles are immediately reduced.

O² Intense Treatment

60 min. 480.—

Targeted to restore the skin's hydration levels and stimulate its vital functions, this treatment brings about immediately visible results. Oxygen propulsion promotes the action of the hydrating agents and the natural production of collagen and elastin.

O² Radiance Treatment

60 min. 480.—

Targeted to restore the skin's radiance, erase pigmentation spots and even out the complexion, this is a state-of-the-art treatment that boasts unrivalled results. Combined with an "anti-pigmentation" serum, this treatment not only guarantees genuine anti-aging action and instantly enhances, it is also very good for the skin.

O² Needling Rejuvenate Treatment

75 min. 530.—

This treatment has been developed to answer the needs of a mature and demanding skin type. The Micro-Needling technique combined with oxygen propulsion stimulates elastin and collagen production, improves cells renewal, and facilitates the penetration of active ingredients. Results are immediate. The skin is instantly oxygenated, luminous and radiant. Wrinkles are smoothed and corrected.

Oxygen Body Treatments

O² Anti Cellulite & Toning Treatment

90 min. 530.—

This treatment combines the perfect synergy between drainage, oxygen propulsion and the massage of connective tissues. It revitalizes tissue and reduces fatty deposits. The draining function is used to eliminate toxins. Oxygen propulsion promotes the penetration of slimming agents. Massaging connective tissue using lipolysis reduces cellulite.

Rules and Regulations

You are entering an area of total relaxation. Here are some tips on how to make the most of your experience.

Hygiene and security

- Please respect the silence and serenity.
- The use of mobile phones is forbidden.
- Please do not film or take pictures in the Spa.
- It is obligatory to wear a swimming costume in the pool, whirlpool, hammam and sauna. Towels, headphones and iPod docking stations are available in the gym.
- It is compulsory to shower before and after using the swimming pool, whirlpool, sauna and hammam.
- Do not run around the swimming pool or any other area of the Spa.
- Jumping and diving in the pool is forbidden.
- Please respect the recommended time to spend in the whirlpool, sauna and hammam.
- Children under 18 are not allowed in the sauna and hammam.
- Our Spa receptionist can advise you on the recommended clothing for each treatment.
- It is not recommended to wear any jewellery, as it can be disruptive during treatments and because of the risk of burning the skin in the sauna and hammam.
- For the gym, comfortable sports clothing and indoor sports shoes are recommended.

Spa treatments and cancellation policy

- We recommend that you arrive at the Spa at least 10 minutes before your appointment.
- We recommend not eating a heavy meal or consuming alcohol just before a treatment.
- After your treatment, take the time to relax, and rehydrate by drinking herbal tea or fresh water available in the Spa.
- Any inappropriate behaviour during a treatment will mean immediate termination of the treatment.
- Any appointment missed or not cancelled at least 24 hours in advance will be fully charged.
- The hotel management has the right to restrict access to the spa for outside guests during specific dates and times during the high season.
