Restaurant FIVE

Restaurant FIVE

Savour the cuisine of the Levant at Restaurant FIVE.

The name and the concept are inspired by five essential foundations: a generous welcome, a convivial sharing, a respect of nature's produce, a contemporary interpretation of flavours as well as the culinary heritage of the cuisine of the Levant.

Start your meal with a choice of Aegean and Levantine mezze, served in the spirit of sharing. Follow these with Mediterranean-style grilled fish and meat dishes, before concluding with exquisite sweet creations.

Guarda Golf Lounge

The hotel's lounge is open all day and offers food from 11 am. Guests who choose to enjoy a casual dining experience with international food selections will be more than comfortable here, by the fireplace.

The lounge also offers a range of specialty teas, best enjoyed with one of our pastry chef's wonderful creations. An oyster and caviar menu is available here each winter.

This is the perfect spot to sample some thing from the hotel's Wine List featuring a carefully selected choice of international and local wines and Champagnes.
